

BIHAR KI PRAGATI KO GATI DETI BHARTIYA RAIL

Shri Narendra Modi

Hon'ble Prime Minister

Railways at a Glance (2014 - 21*)

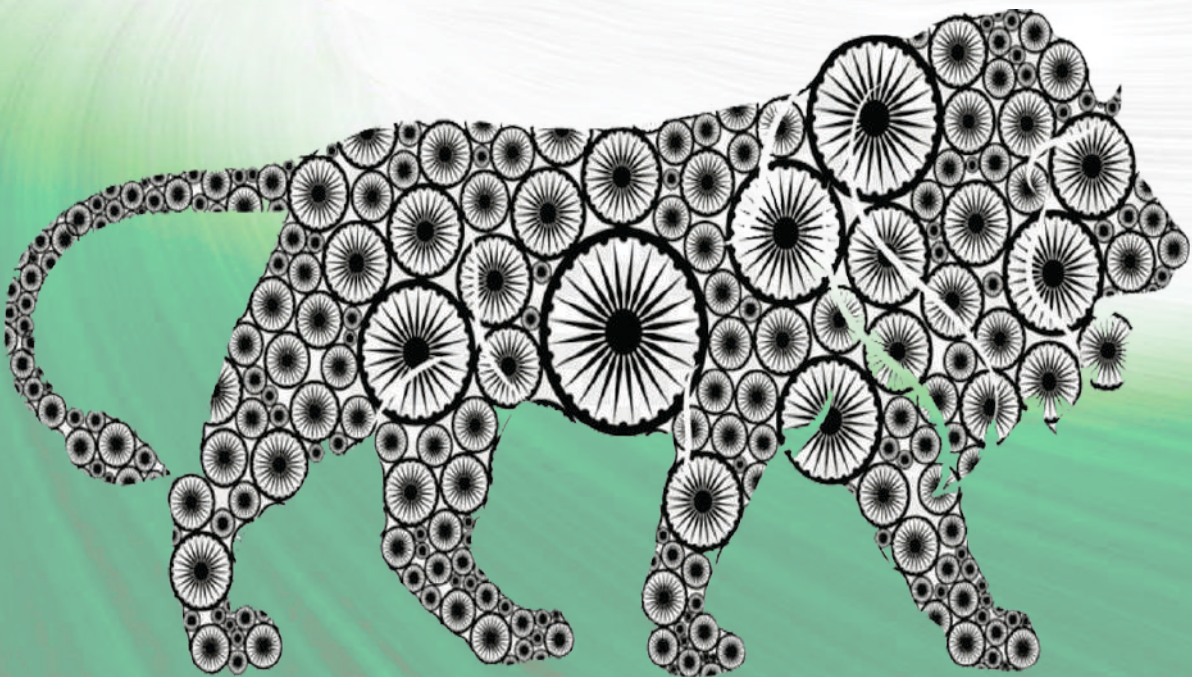

As on 31.03.2021

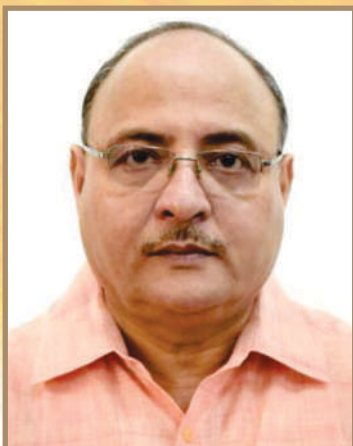

**"The Indian Railways
will become the growth engine
of the nation's vikas yatra"**

Shri Narendra Modi
Hon'ble Prime Minister

Lalit Chandra Trivedi

General Manager

East Central Railway

Preface

Bihar, an important state of eastern India is spread over an area of 94,163 sq. km. It has a total population of 10,40,99,452. Keeping in view the need for accelerated development of Rail network in Bihar, the new Zone of East Central Railway was formed on 8th September, 1996 which started functioning from 1st October, 2002. The North Eastern part of the state is under the administrative control of Northeast Frontier Railway, eastern part under Eastern Railway and North Western part under the administrative control of North Eastern Railway.

To provide better rail connectivity and services to the people of Bihar, ECR has embarked upon a massive drive for modernisation and development of rail infrastructure viz construction of New Lines, Multi-tracking, Gauge Conversion, Railway Electrification, Yard remodelling with modernisation of Signalling systems, construction of Road Over Bridges (ROBs)/ Road Under Bridges (RUBs), replacement of old Bridges, Rolling Stock Maintenance Workshops, Locomotive Sheds, Coach Care Centres, etc.

The pride of Bihar is the two Green Field Locomotive Factories- one at Marhaura and the other one at Madhepura, which have started manufacturing state-of-the-art High Horsepower (HHP) Diesel Locomotives & Electric Locomotives, respectively. These High Horsepower Locomotives shall increase the average speed of freight trains, reduce transportation time and logistics cost that will eventually transform India into a competitive manufacturing hub.

Since 2014, Railway has constructed 300 km of New Lines, 191 km multi-tracking, 313 km Gauge Conversion, 1,750 km of Railway Electrification, 253 ROBs/RUBs in the state of Bihar. During the same period 58 pairs of new Trains were introduced for the convenience of passengers. Also, additional stoppages were introduced at many stations in more than 100 pairs of trains. After lockdown 70 pairs of special trains have been introduced for the benefit of passengers.

To improve rail connectivity between North & South Bihar, which is separated by the river Ganga, rail cum road bridges have been constructed at Patna and Munger. Train services have already commenced on these two bridges. Moreover, a new bridge across river Ganga at Bhagalpur has also been sanctioned. The replacement of old double line bridge by new double line bridge across river Kiul and complete yard remodelling of Kiul - Luckeesarai station has considerably improved the mobility of the main line from Jhajha to Pt. Deen Dayal Upadhyaya Jn. The region of Mithila and Kosi has been connected by rail and train services from Saharsa to Asanpur Kupha crossing the newly constructed bridge on river Kosi in Nirmali - Saraygarh section which was flagged off by Hon'ble PM on 18 September, 2020. This has fulfilled a long-cherished dream of the people who were deprived of rail connectivity since 1934 when the then existing Metre Gauge bridge got damaged due to devastating earthquake and subsequent floods. Construction of a new double line bridge parallel to the existing single line bridge "Rajendra Pul" connecting Mokama to Barauni is also progressing fast.

It may be noted that the budget allocated to various projects are not apportioned state-wise but reflect the cost of the project.

Indian Railways is deeply committed and continuously working to improve the services of Railways in Bihar.

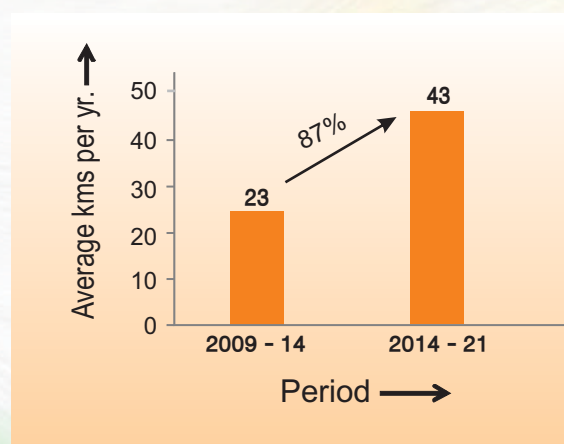

Increased Capital Investment

Average Budget Grant (per year)		
2009 - 14 (in Cr)	2014 - 21 (in Cr)	% Increase
₹ 1,133	₹ 3,568	+ 215%

New Lines Completed

New Lines

- **Completed:** 300 km New Lines completed (2014-21)

Infrastructure Thrust

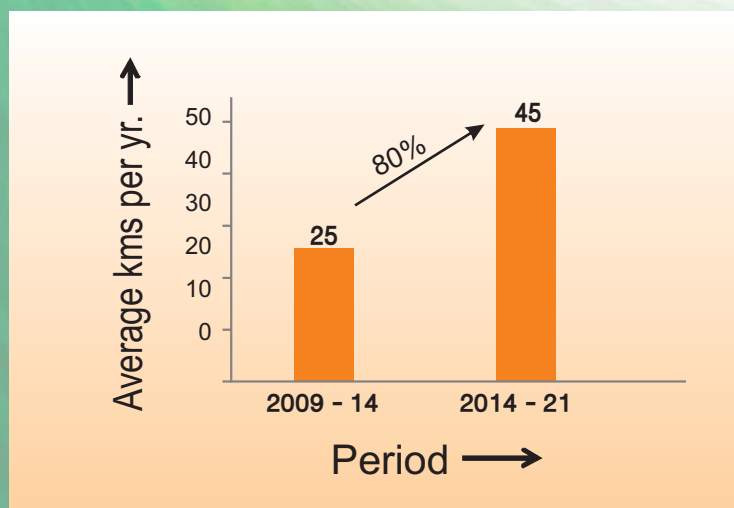

Hon'ble Prime Minister Shri Narendra Modi laying the foundation stone of Muzaffarpur - Sagauli - Valmikinagar Doubling from Bapudham Motihari on 10th April, 2018

Doubling

- **Completed** : 191 km doubling completed (2014 - 21)

Gauge Conversion

- **Completed** : 313 km Gauge Conversion completed (2014-21)

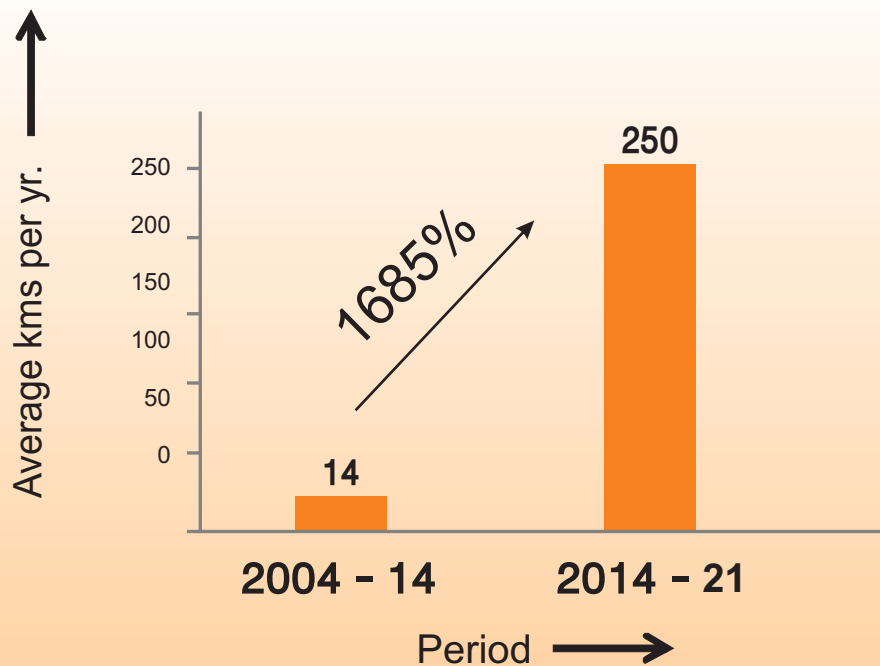

Gauge Conversion

Infrastructure Thrust

Electrification

- 1,750 km of Railway Electrification completed during 2014 - 21 in comparison to 140 km during 2004 - 14

Electrification of Tracks

- Electrification of all Rail routes to be completed by the end of 2021 - 22

Infrastructure Thrust

Hon'ble Prime Minister Shri Narendra Modi dedicating Kosi Mega Rail Bridge with other Rail Projects on 18th September, 2020

Kosi Mega Rail Bridge

- The Kosi Mega Rail Bridge was dedicated to nation by Hon'ble Prime Minister on 18 September, 2020.
- River Kosi bisects Mithilanchal region of Bihar - Nepal border area
- The meandering nature of Kosi has been causing havoc in the region. Hence, it's also called "Sorrow of Bihar"
- The Metre Gauge Bridge connecting Nirmali - Saraygarh constructed in 1887
- During the earthquake and subsequent floods of 1934, the bridge was damaged beyond repair and washed away
- In 2003, it was decided to construct a new Broad Gauge Bridge to connect Nirmali – Saraygarh
- The then Hon'ble PM Late Sri Atal Bihari Vajpayee laid the foundation stone of Kosi Mega Rail Bridge on 6th June 2003
- As a result of the dedicated round the clock work by Railways, the work of Construction of the bridge and its approaches were completed in June 2020
- The first train crossed this bridge on 23rd June 2020, fulfilling the 86 year old dream of the people of Kosi and Mithilanchal
- 4,500 Metric Tonnes of Steel, and 6,600 cubic metres of concrete has been utilized in construction of this 1.9 km long bridge built at a cost of ₹ 516 crores

Infrastructure Thrust

- Allocation of adequate funds to complete the work of two Mega Bridges across river Ganga to connect North Bihar and South Bihar
- Commencement of train services on these two Mega Bridges have brought relief to millions of passengers
- 3 km long Son Bridge having 3 Broad Gauge (BG) lines is the longest triple line bridge of Indian Railways

Rail cum Road Bridge
across river Ganga in Munger

Rail cum Road Bridge
across river Ganga in Digha, Patna

Drone view of Son Bridge between
Son Nagar and Dehri-on-Sone

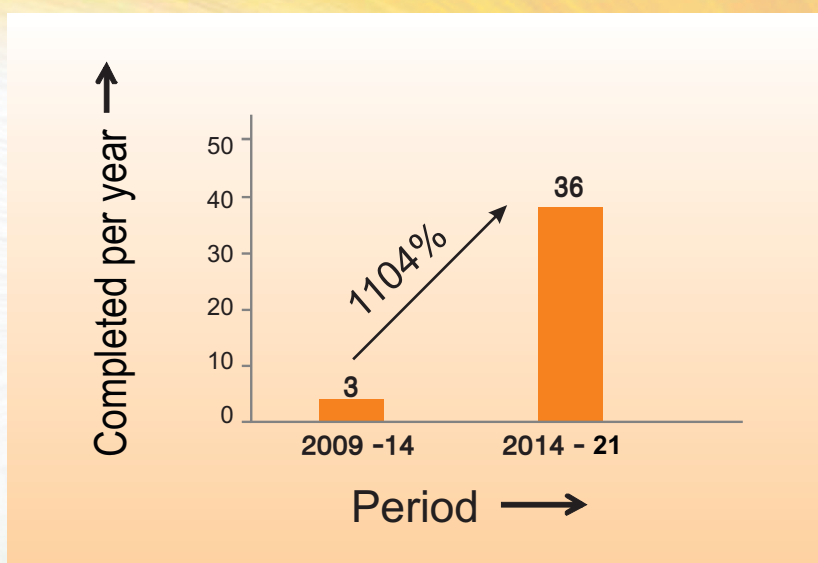

Kosi Mega Rail Bridge connecting Nirmali-Saraygarh

Infrastructure Thrust

Road Over Bridges (ROBs) & Road Under Bridges (RUBs)

- 253 Road Over Bridges (ROBs) / Road Under Bridges (RUBs) completed facilitating uninterrupted and safe movement of road traffic
- Improving speed of trains and safety

Road Over Bridges (ROBs) / Road Under Bridges (RUBs)

Road Over Bridge near Danapur Station

Road Over Bridge near Motihari Station

Elimination of Unmanned Level Crossings

- Complete elimination of Unmanned Level Crossings across the state of Bihar
- Removal of 128 Manned Level Crossings (2019 - 21)

Infrastructure Thrust

Dedicated Freight Corridor

- Dedicated Freight Corridor Corporation of India Ltd., a subsidiary of Indian Railways is constructing two dedicated freight corridors to improve freight services and decongest already saturated trunk routes
- Part of the 1,840 km long Eastern Dedicated Freight Corridor passes through Bihar through the districts of Kaimur, Rohtas, Aurangabad and Gaya. The total stretch of Eastern Dedicated Freight Corridor falling in Bihar is 239 km
- The estimated cost is ₹ 6,900 Crores. 80% of works in Kaimur, Rohtas and Aurangabad districts are complete and the work is targeted to be completed by December, 2021
- It is expected that the average speed of goods train shall increase upto 70 km per hour after completion of this project

Capacity Enhancement

Setting up of Production Units for capital investment and employment generation in Bihar

Hon'ble Prime Minister Shri Narendra Modi
dedicating the Greenfield Electric Locomotive Factory, Madhepura
to the nation remotely from Bapudham Motihari on 10th April, 2018

- Electric Locomotive Factory, Madhepura supplied 89 High Horse Power (HHP) Electric Locomotives to Indian Railways in financial year-2020-21
- Diesel Locomotive Factory, Marhaura supplied 110 High Horse Power (HHP) Diesel Locomotives to Indian Railways in financial year-2020-21
- Production of wheels started at the Rail Wheel Plant, Bela
- Repair of coaches started at the Carriage Workshop, Harnaut

Diesel Locomotive manufactured at
Diesel Locomotive Factory, Marhaura

Capacity Enhancement

- India has joined the elite club of six countries who have the capability to manufacture High Horsepower Locomotives with the start of manufacturing of state-of-the-art 12,000 HP High Horse Power (HHP) Locomotives by Madhepura Electric Locomotive Factory under “Make in India” initiative
- This High Horsepower electric locomotive has the capability to haul loaded freight trains at 100 kmph
- This would eliminate the speed differential between Mail/Express and Freight Trains doubling the average speed of Freight Trains
- In its inaugural run, the HHP Electric locomotive hauled a Freight Train consisting of 118 wagons from Pt. Deen Dayal Upadhyaya Jn to Barwadih of Dhanbad Division

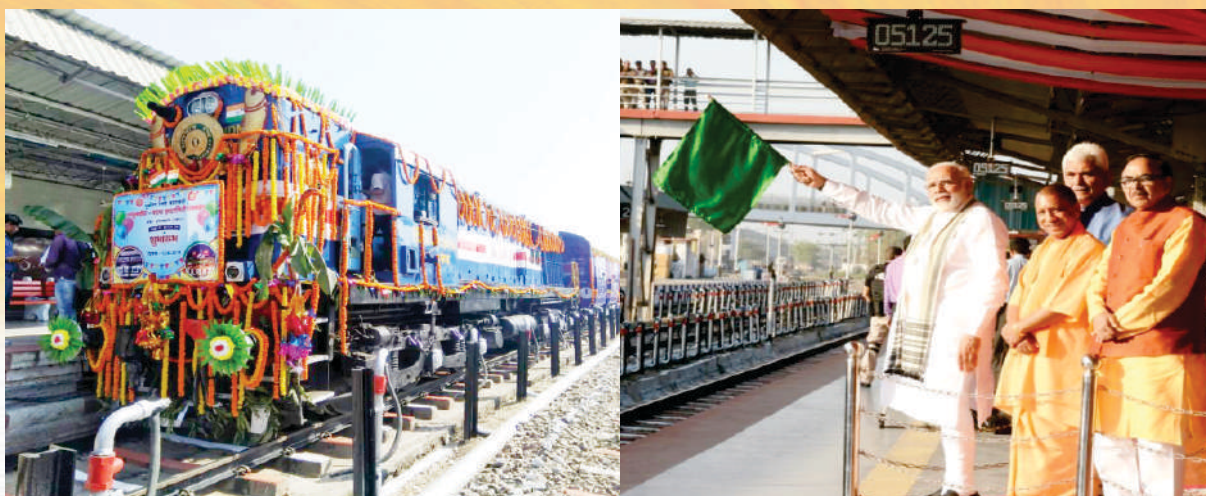

Inaugural Run of Electric Locomotive manufactured at Electric Locomotive Factory, Madhepura from Pt. Deen Dayal Upadhyaya Jn. to Barwadih of Dhanbad Division

12000 HP Electric Locomotive being manufactured in Electric Locomotive Factory, Madhepura

Expanding Passenger Services – Connecting Villages and Cities

Hon'ble Prime Minister Shri Narendra Modi flagging-off the Kashi - Patna Janshatabdi Express along with Hon'ble Chief Minister of Uttar Pradesh Shri Yogi Adityanath, the then Hon'ble Minister of State of Railways Shri Manoj Sinha and Hon'ble MP Dr. Mahendra Nath Pandey on 12th March, 2018

Train Services for passengers

Extension of Trains in 2019 - 20

Sr. No.	Train No.	From	To	Extended upto
1	14618 / 14617	Amritsar	Saharsa	Banmankhi
2	53131 / 53132	Sealdah	Muzaffarpur	Sitamarhi
3	55501 / 55502	Saharsa	Garh Baruari	Supaul
4	55579 / 55580	Darbhanga	Mandan Mishra Halt	Jhanjharpur

Passenger Services

Increase in Sectional Speed of Trains

Section	Direction	Speed raised (in Kmph)	
		From	To
Hajipur - Ghoswar DL	DN	75	110
Kurhani - Ramdayalu Nagar DL	DN	70	110
Chaura Dano - Raxaul SL		50/80	100
Goraul - Bhagwanpur DL	DN	75	110
Ramdayalu Nagar - Kurhani DL	UP	70	110
Dauram Madhepura - Purnia SL		50/60/75	100
Bhagwanpur - Sarai DL	DN	75	110
Samastipur - Kishanpur DL	UP	80	100
Mansi - Saharsa SL		80	100
Mohiuddin Nagar - Bachhwara DL	DN	75	90
Bachhwara - Vidyapati Dham DL	UP	75	90
Sakri - Jaynagar SL		80	100
Mohiuddin Nagar - Bachhwara DL	DN	90	105
Bachhwara - Vidyapati Dham DL	UP	90	105
Raxaul - Narkatiaganj SL		80	100
Bairgania - Chaura Dano SL		80	100
Muzaffarpur - Runnisaipur		75	100
Shahpuratoree - Mohiuddinnagar	DN	90	110

For DL = Double Line, SL = Single Line

In addition to above, we have also increased the speed on loop line from 15 Kmph to 30 Kmph at 18 stations on Hajipur - Bachhwara - Barauni - Katihar, Barauni - Rajendra Pul and Paramanandpur - Patliputra sections of Sonpur Division

Passenger Services

₹ 300 crore have been spent in the last 7 years for improvement in passenger services

Works completed

- 79 Foot Over Bridges (FOBs)
- 36 Escalators & 19 Lifts
- 178 Water Vending Machines at different stations
- Toilets for Divyangjan at 38 major stations
- Expansion/Raising of Platforms at 132 stations
- 1,163 Platform Sheds at different stations
- 151 New Toilets
- Food Plaza at 10 stations
- Fast Food Units at 22 stations
- 25 new Unreserved Ticket System (UTS) counters, 12 new Unreserved Ticket System cum Passenger Reservation System (UTS cum PRS) and 01 new Passenger Reservation System (PRS) have been opened since 2014 for the convenience of the passengers
- 56 Jansadharan Ticket Booking Sewak (JTBS) and 9 Yatri Ticket Suvidha Kendra (YTSK) have been opened since 2014
- On Board Housekeeping Services (OBHS) have been provided in 36 trains originating from Bihar for the convenience of passengers

Escalator for passengers at Patna Jn.

New Lift provided at Buxar Station

Allocation of adequate funds for providing Foot Over Bridges (FOBs) lifts, escalators etc. for the convenience of passengers

Foot Over Bridge (FOB) at Madhubani Station

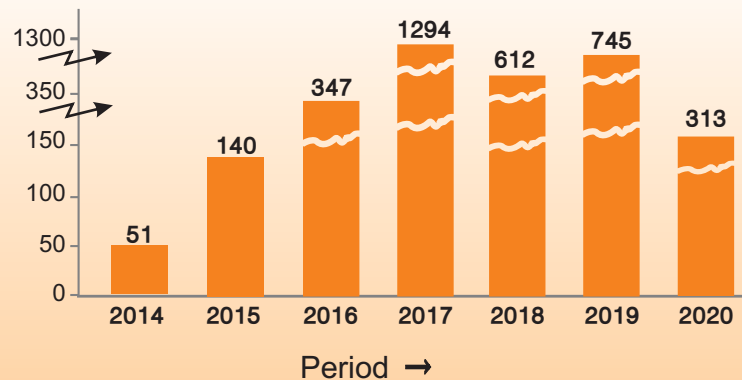

Passenger Services

Installation of Integrated Security System (ISS) & CCTV surveillance cameras at important stations.

- ISS has been commissioned at 6 stations Patna, Rajendra Nagar, Samastipur, Raxaul, Chhapra & Muzaffarpur
 - Total 287 CCTV cameras have been installed under ISS
- Provision of CCTV camera surveillance at 52 other important stations for the security of passengers
- Railway Protection Force (RPF) /Railway Protection Special Force (RPSF) is escorting 107 trains

- A total of 3502 children were rescued by the Railway Protection Force (RPF) and handed over to their guardian/NGO/Police

Children rescued by Railway Protection Force (RPF)

Beautification of Stations

Rajendra Nagar Terminal

Patna Junction

Patliputra Station

Madhubani Station

Patna Saheb Station

Danapur Station

Digital India, Digital Rail

- Fast & Free Wi-Fi
 - High speed Wi-Fi network access provided at more than 278 stations
- Point of Sale (PoS) Machines provided for Cashless Digital transactions
 - Cashless transactions can be made through BHIM, RuPay, Debit Cards, e-wallets at many ticket counters
 - Point of Sale (PoS) Machines at 82 stations have been installed for cashless transactions
- Unreserved Ticket System (UTS) on Mobile App for booking unreserved ticket started on 24th September, 2018
- Hand Held Terminal (HHT) introduced in Indian Railways in Rajendra Nagar (Patna) - New Delhi Rajdhani Express on 14th December, 2018

Hand Held Terminal (HHT) introduced in
Rajendra Nagar (Patna) - New Delhi Rajdhani Express

Point of Sale (PoS) Machine at Railway Counter

Swachh Bharat

Inspired by Swachh Bharat Abhiyaan, we have launched Swachh Rail

- On Board Housekeeping Services (OBHS) on 36 trains originating from Bihar
- Mechanised Cleaning of Coaches and Stations
- Mechanised Washing of linen
- 27 Number of Plastic Bottle Crusher Machine

On Board Housekeeping Services (OBHS) staff

Mechanised Cleaning at Samastipur Station

Mechanised Laundry at Danapur

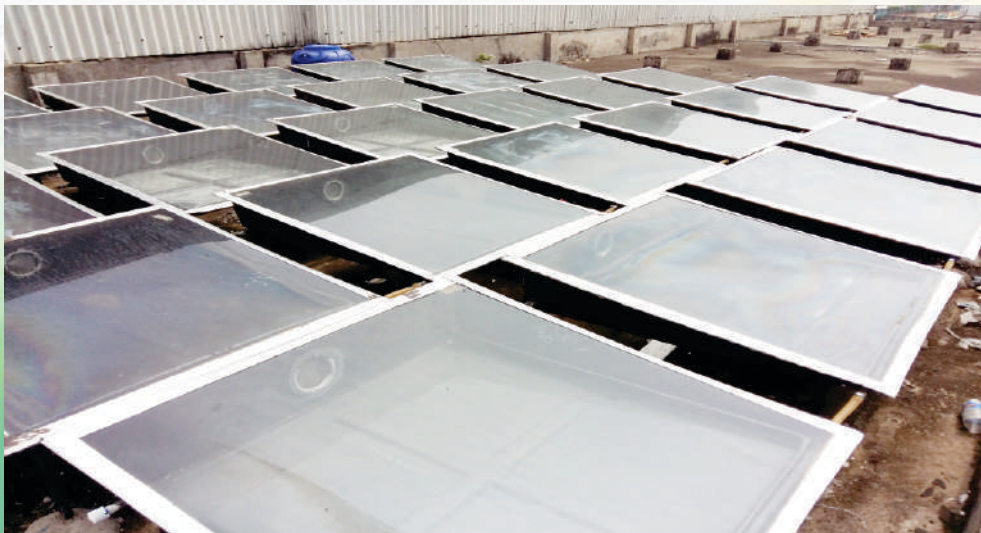

Plastic Bottle Crusher Machine at Hajipur station

Energy Conservation

Solar Tree (Solar Panel) installed in running room near Darbhanga Station

Solar Power Plant installed at Raxaul

Energy requirement met by Solar Energy

- **Harnessing solar energy**
 - Total 5,579 kWp solar modules provided
- **100% LED fittings done at stations for energy conservation**
- **Tree plantation**
 - More than 18 lakh tree saplings planted in last 7 years

Shramik Special

- Shramik Specials were introduced from 1st May, 2020 to facilitate the return of Migrant Workers to their native place from their place of work. These trains were introduced at the request of State Governments
- These trains did not have any stoppages enroute and initially it ran between the originating station and one destination only
- East Central Railways made tireless efforts to ensure that all Migrant Workers reach their destination safely
- During the period 1,285 number of Shramik Specials originating from various parts of the country brought approx 20 lacs number of Migrant Workers to Bihar

Approximate number of Migrant Workers coming to Bihar from different States

State	Approx No. of Shramiks
Gujarat	367500
Maharashtra	292500
Punjab	234000
Uttar Pradesh	201000
Delhi	177000
Tamil Nadu	126000
Karnataka	123000
Rajasthan	108000
Haryana	78000
Telangana	60000
Kerala	58500
Andhra Pradesh	33000
Uttarakhand	16500
Goa	13500
Tripura	12000
Madhya Pradesh	9000
Jammu & Kashmir	9000
West Bangal	4500
Nagaland	1500
Odisha	1500
Puducherry	1500

Freight Trains Operations

- During the lockdown, operation of only the passengers trains were halted. Our freight trains continued to run to ensure that there is no shortage of essential commodities in any part of the country
- We introduced time tabled Parcel Expresses to transport essential commodities from one part of the country to the other part in minimum possible time. A total of 12 Parcel Expresses are serving the state of Bihar

- Upgradation in 25 Goods Sheds
- As compared to previous average speed of 24.57 km per hour, the average speed of freight trains has touched to 50.52 km per hour in the current year
- Ensured hassle-free running of goods train at the interchange point with Northeast Frontier Railway and Eastern Railway by continuing electric traction
- Policy initiative to give discount in freight transportation rates
- Formation of "Business Development Units" with an objective to double the freight by 2024

Parcel Express running over East Central Railway
